RETURN REASON	

In accordance with the act from 2 March 2000 about the protection of some consumer rights and about the responsibility for the damage caused by the product) (D. U. from 31 March 2000)

Every customer has a right of the turnabout of purchased goods in time 14 days from the date of the conclusion of a contract. The act is regarding products purchased in the option "buy now" (isn't regarding the purchase by way of the auction). Sending back to us purchased goods is entry requirements of the return in the original, undamaged container, without traces of using along with all documents like warranty card, the receipt of purchase and correctly with completed application form of the return. In case of the VAT invoice after receiving the package and recognizing the "return", the customer will receive corrected invoice, after signing one pc, should send us correction of the VAT invoice. Item costs will be returned within 2 working days after package acceptance. Payment will be returned on bank account or paypal account showed by customer in this document.

A Purchaser is incurring costs of sending goods back. We aren't accepting parcels cash on delivery.
